### **Dear Parishioners:**

### **Most, but not all restrictions are lifted, although some remain in place:**

- masks will continue to be mandatory for indoor public places  
the physical distancing requirement will be lifted
- the gathering limits for our church services will be lifted
- contact tracing will not be required, except for weddings and funerals since these faith gatherings may bring in people from outside our territory
- our Church services are deemed to be essential by the government
- proof of full vaccination will be required for non-essential events and activities
- Unfortunately, any activities held by our churches other than daily or weekly Mass will be subject to the POV, the proof of vaccine policy. For organized parish activities, the gathering limits will be lifted but the POV policy will apply.
- If it is a regular group with the same people, then proof of vaccination can be obtained once and does not need to be done each time this same group meets.
- There are no restrictions on singing but congregations will be required to remain masked.
