Training next-generation farmers in Indonesia: In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty. Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women. This Lent, meet our solidarity visitor Karno Batiran, the executive director of PAYOPAYO. Learn more at devp.org/lent.

Greetings: It's a huge goal of Development & Peace-Caritas Canada to acknowledge your faithful support to their efforts to stand up for those unable to stand up for themselves and to offer heartfelt thanks for your financial support. Through your kindness we were able to denounce oil pollution in Nigeria. Development & Peace's partner Health of Mother Earth Foundation or HOMEF defends farmer's rights and helps protect their lands. Share Lent collections that will take place on Solidarity Sunday you will find one in your envelopes or there will be some at each parish. You can mail a personal donation to 555 Rene'-Le'vesque Blvd. west, 8th Floor, Montreal, QC H2Z 1B1 . Thank you for your generosity.
